Convention Scholarship Application

Twelfth District PTA is pleased to offer its units and councils the opportunity to apply for a scholarship to support the attendance of delegates at the 2012 California State PTA Convention. Scholarships, to a maximum of \$700.00 each, will be awarded to units and councils for use by their approved delegates.

Funds are to help offset delegate expenses including registration, transportation, hotel and meals during their full-time, four-day convention experience. A \$1000.00 grant from the California State PTA supplements the 12th District PTA budget for these scholarship awards.
