

2018-2019
12th District PTA
Honorary Service Award Nominations

Each year, PTAs across the country pay tribute to individuals who demonstrate an uncommon commitment to students and schools. In the tradition of the National PTA's Honorary Service Awards Program, 12th District PTA seeks nominations to recognize individuals and organizations that contribute significantly beyond their school sites and PTA councils in serving children and youth.

Please help us identify and honor worthy candidates who serve with distinction at the regional or county level.
