

Home Depot COMMUNITY IMPACT GRANTS

<https://corporate.homedepot.com/grants/community-impact-grants>

The Home Depot Foundation offers grants, up to \$5,000, to IRS-registered 501c designated organizations and tax-exempt public service agencies in the U.S. that are using the power of volunteers to improve the physical health of their community. Grants are given in the form of The Home Depot gift cards for the purchase of tools, materials, or services.

Our primary goal is to provide grants and volunteer opportunities to support the renovation, refurbishment, retrofitting, accessibility modifications, and/or weatherization of existing homes, centers, schools and other similar facilities.

Grant Guidelines

- Only IRS-registered 501c designated organizations and tax-exempt public service agencies (e.g. Police/Fire Departments) in the U.S. are eligible to apply. (Proof of this status will be required on the application in the form of an IRS Determination Letter, Form 990, or W9.)
- Grants must support work completed by community volunteers in the U.S.
- Projects must be completed within six months following notification that the grant has been awarded.
- Grants are solely given in the form of The Home Depot gift cards for the purchase of tools, materials, or services up to \$5,000.
- Organizations who have received funding through The Home Depot Foundation's Community Impact Grant Program must wait 12 months after notification of award before applying for additional grants through this program.
- Organizations must be in existence for at least one year.

Organizations should be willing to submit stories and pictures of the project upon completion.

The Home Depot Foundation's Community Impact Grant Program DOES NOT make grants to support the following:

- Nonprofit organizations that have been in existence for less than one year
- Churches and religious organizations whose improvement project primarily serves their congregation and not the overall community
- Scholarships or other direct support to individuals or families
- Fraternal, political, labor, athletic or social organizations, civic clubs, candidates or projects
- Fundraising sponsorship or prizes for events such as conferences, festivals, dinners, sports competitions, art exhibits, fundraisers (e.g. dinners, walks/runs/relays, golf tournaments & auctions)
- Requests for The Home Depot's Kids Workshop kits and/or aprons
- Capital campaigns, endowments or endowed chairs
- Film, music, television, video or media production projects or broadcast underwriting
- Goodwill advertising or marketing
- Any other support that does not meet the IRS's definition of a charitable purpose.

We are now accepting applications for the Community Impact Grants program.

This is a rolling application process. You will receive a decision on your application within six weeks of submission. The last day to submit applications in 2019 is December 31st.
