NEA FOUNDATION – STUDENT ACHIEVEMENT GRANTS

Mission: The National Education Association (NEA) Foundation provides NEA members with grants to improve the academic achievement of students in U.S. public schools and public higher education institutions in any subject area(s).

Funding Priority: Educators frequently need outside funding for classroom resources. NEA members help students learn how to think critically and solve problems. Grant funds can be used for resource materials, supplies, equipment, transportation, or technology.

Geography: Any NEA members in the U.S.

Amount: \$2,000 - \$5,000

More Information: <http://www.neafoundation.org/pages/nea-student-achievement-grants/>

Mission: The purpose of the Fund is to support nonprofit organizations that can demonstrate that they have planned their projects with respect to the community's greatest opportunities.

CORNING INCORPORATED FOUNDATION GRANT

Mission: The foundation supports grants for instructional technology for the classroom among a variety of other grants.

Funding Priority: The Foundation puts specific focus in STEM (science, technology, engineering, and math) and STEAM (which includes the arts) curricula as well as workforce development programs that lead to productive career paths for young adults. The programs could include exposing students in kindergarten through 12th grade to STEM-related experiences and hands-on activities.

Geography: AZ, CA, MA, ME, NC, NH, NJ, NY, TX, UT, VA, and WV

Amount: Varies
